Re: Spare Liners - 11-Gauge  
Air-Fed Incinerator - Model 1

Gentlemen:

In accordance with the request received from your [redacted] we are pleased to quote on spare liners fabricated of 11-gauge stainless steel for the Model 1 Air-Fed Incinerator.

25X1  
25X1

As requested, we are quoting on 1, 2, and 3 liners. Prices are shown separately.

We are also quoting on the crating and freight separately, as a unit price, since there will be no change in the event 1, 2, or 3 liners are ordered.

Our prices are based on the data covered in [redacted] letter of 14 November 1961, and the set of original drawings furnished, with corrections and changes indicated as required for the heavier gauge liners.

The freight covering the shipment of spare liners, crated separately, delivered Washington, D. C. is as follows:

ONE (1) unit	@\$18.00.....	\$ 18.00
TWO (2) units	@18.00 .....	36.00
THREE (3) units	@18.00 .....	54.00

Based on the time required for obtaining materials and fabricating the liners, we can make shipment in approximately 6 to 8 weeks after receipt of order. We assume you will wish to inspect the liners before crating and shipment. We will, of course, advise you in advance regarding the date the liners would be ready for your inspection, and shipment would be made promptly after approval.

The liners will be billed immediately after acceptance and shipment, and payment is to be made within fifteen (15) days from invoice date.

This proposal is made for acceptance within sixty (60) days. In the event there is an extended delay, it may be necessary for us to adjust our prices.

We will be glad to furnish any additional information you require. As requested, we are returning enclosed the drawings furnished with your request for this quotation.

Very truly yours,
